The first Corporate Challenge, underwritten by Houston Methodist Willowbrook Hospital, was a success! Congratulations to You’re First LLC for placing first in the all-around.

To accommodate the continued growth toward the western boundary of the district, Cypress-Fairbanks ISD will open two new high schools by 2017.

CFISD’s 11th high school, Cypress Park High School, opened to ninth-grade students only on Aug. 22, 2016. The school, located at 7425 Westgreen Blvd. in the Cypress Oaks community, will ultimately serve 3,300 students in the southwestern region of the district and will provide relief to Cypress Lakes and Cypress Springs high schools. Cypress Park’s principal is Chris Hecker, who previously served as principal at Dean Middle School.

Designed by PBK Architects and built by Satterfield & Pontikes Construction, the school was named in recognition of the nearby Texas State Highway 99 that is more commonly known as The Grand Parkway.

The 591,000-square-foot facility features a three-floor academic wing, 860-seat auditorium and

Business After Hours is the perfect opportunity to market your business to 50-75 members. June’s BAH was held at The Boardwalk at Towne Lake and offered great networking opportunities. Our next BAH will be on September 28 at Mercantil Commercebank.
As we are finishing out our 30th anniversary celebration year, the Cy-Fair Houston Chamber of Commerce is proud to announce the growth in our area is being felt in our membership numbers. Month after month we continue to get inquiries about how our membership can benefit their business.

New members and community members are surprised when we mention how many people actually live in Cy-Fair. An unofficial number we are hearing is that our population has grown to 787,000 people living in our 14 zip codes. Our Cy-Fair community is also celebrating the opening of the 11th High School. This is a sign of growth in our area. A principle reason people who are looking to move to Harris County are choosing the Cy-Fair community is because of our excellent schools. We are welcoming over 120,000 students into the Cypress-Fairbanks Independent School District this fall.

The retail growth is exploding along the Grand Parkway and evolving as we begin to see more progress in the expansion of Hwy. 290. We should be enjoying the new roads by the end of next year. This cannot come soon enough! We very much appreciate our relationship with the Texas Department of Transportation at the state level, as well as the local Houston regional offices. We are able to anticipate closings and changes in traffic patterns through updates from www.my290.com. If you haven’t registered your email with this website, it is not too late. You will get updates twice a week about road closures.

As you finish out your year, we hope that you continue to use the Cy-Fair Chamber as a valued resource for your business, transportation and overall community needs.

All the best!

Leslie Martone
Louetta Automotive Makes Difference with First-Class Service

Louetta Automotive opened its first location in 1999 with the goal to provide a higher level of service at a better value. Louetta Automotive, a full-service automotive repair center with over 100 employees, provides top-quality repair and maintenance services for all makes and models of cars, trucks, SUVs, minivans and crossovers.

Louetta Automotive is capable of addressing all automotive needs from oil changes and state inspections to complete engine and transmission overhauls. Their mission is to make a difference in the community and lives of their customers by ensuring an outstanding customer experience with their quick, helpful, and highly-skilled employees.

When you walk through the doors you will be assisted by professional, uniformed, and well-groomed staff offering same-day services in most cases. All of their locations offer convenient hours, including Saturday, and offer complimentary shuttles and free loaner cars for appropriate repairs.

Today, Louetta Automotive has 10 locations around the Houston area with six in the Cypress area. All of their stores are owned by one owner, Shane Wilson, who knows the importance of delivering the best possible automotive service in his local community. Their well landscaped facilities are modern and clean.

In 2014, Louetta Automotive joined the Cy-Fair Houston Chamber of Commerce as a Platinum Investor to get connected with the Cy-Fair community.

“We jumped in feet first and took advantage of everything the Chamber has to offer,” Devann Blake, Marketing Manager of Louetta Automotive said. “The Chamber has provided us with the resources to build alliances throughout the community we serve and given us an extra hand in our efforts to truly make a difference in the community. We look forward to being members of the Cy-Fair Houston Chamber of Commerce for many years to come.”

Louetta Automotive continues to concentrate on their customer service and professionalism to continue to exceed any other automotive service business in the area.

For more information, visit http://www.louettaautomotive.com/
Cypress-Fairbanks ISD New High Schools (cont. from pg. 1)

1,750-seat competition gymnasium. Its many learning pods include 28 science rooms and will allow for collaborative educational opportunities among neighboring classrooms.

Cypress Park High School will be part of a multi-school educational village design concept, with a future middle school and elementary school planned for the property. Also joining Cypress Park on the CFISD-owned land will be a new transportation center, a new agricultural barn and a Good Neighbor Healthcare Clinic.

Cypress Park’s school colors are black and Vegas gold, and the mascot is the Tigers. All athletics programs will fully participate in Class 6A UIL competition by 2018-2019.

CFISD’s 12th high school campus, Bridgeland High School, will open to students in the north-west area of the district in the 2017-2018 school year. Designed by IBI Group Architects and constructed by Gilbane Building Company, the 573,460-square-foot facility is designed to accommodate 3,300 students.

Bridgeland High School will feature a four-story academic wing, a centrally located commons building and an associated sports complex. It will be part of a master-planned campus site, with Elementary School No. 55 (also opening in 2017-2018) and a future middle school planned.

Bridgeland High School will provide relief to Cypress Ranch High School. Its colors will be blue and orange, with a mascot to be determined in 2017. A principal is expected to be named in the fall of 2016.
